

# Education By Nimbuscare

## Future PLT Dates

### Vale of York

The following dates have been confirmed for the Vale of York Protected Learning Time Events:

Thursday 18<sup>th</sup>

July (face to face)

Wednesday 18<sup>th</sup> Sept  
(face to face)

Tuesday 12<sup>th</sup> Nov  
(PCN led)

If you believe you are not on the distribution list, please contact the PLT Team via [nimbuscare.plt@nhs.net](mailto:nimbuscare.plt@nhs.net) and we will ensure you are included in future correspondence.

**Ellie Holmes, Head of Corporate Affairs & Events**

## Hello.... here's what's new!

Hello, I am delighted to update you with education and training opportunities that are being delivered / facilitated by Nimbuscare taking place locally either face to face or virtually. Most are open for registration, where this isn't possible, please save dates to your diaries, more information will follow shortly.

We continue to work with the H&NY ICB regarding Protected Learning Time events across the Vale of York, the dates noted on the left have been confirmed with a new venue selected. Please be aware that the next two face to face events will be taking place at **York St John University**, this new venue will provide us with sufficient learning space in a modern environment. Following delegate feedback, we will be amending the start time slightly pushing this back by 30 mins to accommodate patient visits and travel. We will continue to provide lunch and refreshments. Agendas for both events are currently being developed and will be advertised shortly.

We continue to support Practice Managers in the Scarborough, Whitby and Ryedale locality with regular learning events and a number of our Member Practices with Team Away Days. Please do not hesitate to contact us to discuss any 'in-house' requirements that you think we could support with.

We would like to hear from healthcare professionals regarding all CPD events. If there are any hot topics or areas where we can facilitate learning and development, please contact the team.

## Sustainability

Our events team endeavor to be as green as possible when arranging events.

Some examples of this being:

We will look to work with venues who have a strong sustainability ethos.

Where catering is requested, we will look to provide plant-based options.

We will avoid any unnecessary printing of materials implementing alternative solutions.

A full copy of our **Green Goals** is available upon request.

Nimbuscare is currently working towards Silver Status.

### Education

The following meetings have been confirmed with more in the pipeline:

#### **14.05.24 Women's Health, Pregnancy – Menopause.**
